

ST. PATRICK'S PARISH A ROMAN CATHOLIC CHURCH

Tuition Assistance Program

Tuition assistance is available to families at St. Patrick School on a family need basis. Any family who cannot otherwise afford to send their children to our school is welcomed to apply for tuition assistance. In order to serve as many families as is possible, the maximum award for tuition assistance is \$1,600 to \$2,500 per child, per year with the maximum financial award of \$5,000 per family. Since this amount cannot cover most of the assistance that may be needed, we encourage families to apply to the *Basic Fund* and the *Archdiocese Family Grant Program*. Please note, students must be enrolled for one year before families are eligible for Parish tuition assistance. **In addition, an online TADS application MUST be submitted by April 15.**

St. Patrick Church Tuition Assistance applications are available from the St. Patrick's Rectory and the St. Patrick School office.

Anyone submitting an application after our final priority deadline will be put on a waiting list.
